

HOW TO access Afrim's Sports' Member Login and electronically sign the waiver

Thank you for registering for Afrim's Sports' 2018 College Showcase. If you have played in this tournament before then you are aware that we require all players to submit a signed waiver (must be signed by parent/guardian if under age 18).

If you have tried logging in to your account and it is not prompting you to sign the waiver, then that means your waiver from last year is not expired yet. For example: Pete's waiver expires on 1/19 so he will not be prompted to re-sign the waiver until he logs in to his Afrim's Sports' account on 1/20 (or later).

If you have not played in this tournament before, then please follow the steps below to register your child and sign the waiver electronically:

If you are having difficulty signing the waiver electronically, you can always download the waiver off of our website, fill it out and email it back to us (afrimsports@gmail.com). The waiver can be downloaded off of our website [here](#). All waivers must be submitted prior to the Showcase; a player cannot step on to the field until we receive the waiver. As many parents do not attend the Showcase, it is best to take care of the waiver ahead of time. Waivers with forged signatures will not be accepted.

If your team would rather fill out the paper waiver, we ask that managers collect them all and email them back to us together.
