

### **Afrim's Sports Outdoor Play Guidelines**

- Be on time but not early. If you are, wait in the car until just before the event starts.
- Players, event staff, coaches, referees, and spectators must wear masks at all times!
- Players are encouraged to keep social distancing during warm-ups.
- Players using the bench must keep social distance or wear masks.
- Players must leave the fields within 5 minutes of their game ending.
- (2) spectators are allowed per player. Spectators must wear masks and maintain 6 feet of social distance from others.
- Celebrate a goal with a thumbs up. Avoid fist bumps, chest bumps, hugs and high-fives.
- Each family will assess their child's health by taking their child's temperature and inquiring as to possible known symptoms of the virus. If an issue arises, then please email us immediately and do not have the player attend the next game.
